**FACILITY OWNERSHIP LIST**

**DRAFT**  
**Request for Proposal – Idaho National Laboratory**  
**February, 2004**

This attachment is a draft revision to the facility and building ownership list (List 246) documenting the division of responsibility for INEEL facilities and structures between EM and NE. This draft is in the process of review and approval by DOE, and it is expected that the final approved List 246 will be provided in the Final INL RFP. No changes of significance are expected to the building or structure ownership between this draft list and the approved list to be provided with the final RFP.
