~~Good Evening~~ Hi. My name is Isaac Bonu and I live in Boise ID.

I am an injured worker concerned ~~concerned about~~ with how to keep our natural and work environments healthy and safe. ~~Along with our work environment.~~ ~~I am speaking tonight as a concerned citizen.~~ a pr. I

I submit my comments tonight as a private concerned citizen and I enter for the record a suggested list of criteria for health and safety for DOE nuclear waste clean up projects such as the Advanced Mixed Waste treatment we are discussing tonight. This list is from a monograph published in July by the alliance for Nuclear Accountability
