The following clauses are incorporated into the contract.

1. Section I, new Clause I.71 is added as follows:

I.71 Lobbying Restriction (Energy and Water Development Appropriations Act, 2000)

The contractor agrees that none of the funds obligated on this award shall be expended, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913. This restriction is in addition to those prescribed elsewhere in statute and regulation.

2. Section J, Attachment A, Part 7 - Travel and Relocation, new paragraph F is added as follows:

F. Travel Restrictions

- (a) For contractor travel expenses incurred on or after October 1, 1999, through September 30, 2000, a ceiling limitation of **\$6.365M** shall apply to all reimbursements made for contractor travel expenses under this contract for Energy and Water appropriated travel funds (both direct and indirect). Expended funds which exceed the established ceiling will be unallowable.
- (b) Notwithstanding any other provisions of the contract, the contractor further agrees that none of the funds obligated under the contract may be used to reimburse employee travel costs incurred on or after October 1, 1999, and before October 1, 2000, which exceed the rates and amounts that apply to federal employees under subchapter I of Chapter 57 of Title 5, United States Code. To the extent that this contract provides elsewhere for the reimbursement of employee travel costs which exceed the rates and amounts that apply to federal employees under subchapter 1 of Chapter 57 of Title 5, United States Code, the preceding limitation on reimbursement of employee travel costs applies to costs incurred on or after December 1, 1999, and before October 1, 2000. Costs which exceed these rates and amounts will be unallowable. This restriction is in addition to those prescribed elsewhere in statute or regulation.
- (c) Costs incurred for lodging, meals, and incidental expenses are considered reasonable and allowable to the extent that they do not exceed the maximum per diem rates in effect at the time of travel as set forth in:
 - (i) Federal Travel Regulations (FTR) for travel within the 48 states;
 - (ii) Joint Travel Regulations (JTR) for travel in Alaska, Hawaii, the Commonwealth of Puerto Rico, and territories and possessions of the United States; or
 - (iii) Standardized Regulations (SR) for travel allowances in foreign areas.
- (d) Subparagraph (c) does not incorporate the regulations cited above in their entirety. Only the coverages in the referenced regulations addressing the maximum per diem rates, the definitions of lodging, meals, and incidental expenses, and special or unusual situations are applicable to contractor travel.

- (e) Airfare costs in excess of the lowest customary standard, coach, or equivalent airfare offered during normal business hours are unallowable except when such accommodations require circuitous routing, require travel during unreasonable hours, excessively prolong travel, result in increased cost that would offset transportation savings, are not reasonably adequate for the physical or medical needs of the traveler, or are not reasonably available to meet mission requirements. However, in order for airfare costs in excess of the above standard airfare to be allowable, the applicable condition(s) set forth above must be documented and justified.
